1. FACULTY/STAFF NEWS

Gary Wiggins made several presentations in April and May on the topic of "Chemistry Resources on the Internet." He first spoke at the Owens-Corning Company in Granville, Ohio, then addressed the American Chemical Society Columbus Section meeting at Denison University. He was invited to make presentations at Air Products and Chemicals in Allentown, Pennsylvania and while there spoke to the ACS Lehigh Valley Section meeting. His last presentation on the topic was at the Central Regional Meeting of the ACS in Akron, Ohio. Each presentation featured live Internet connections to "Chemical Information Sources from Indiana University," (<http://www.indiana.edu/~cheminfo>) and to the "Internet Directory of Biotechnology Resources," (<http://biotech.chem.indiana.edu>), both of which are being developed by Dr. Wiggins.

Effective May 30, Meredith Dooley accepted the position of Catalog Revisor in
