Library News and Events

Last Issue of the Decade!

Due to the holiday closure, this will be the last issue of *IUL News* until January 10, 2020. May you all have a safe and merry holiday season!

Submitted by Debbi Arwood, Administrative Secretary, Libraries Administration

Ruth Lilly Medical Library Website Downtime

The Ruth Lilly Medical Library will be conducting scheduled routine server maintenance from December 16 to December 20, 2019. This may cause several of our pages to be down for a period of time. The website and its supporting pages will be available after the maintenance is completed. After the scheduled maintenance is completed, please clear your web browser's cache to view our site. Click here <https://kb.iu.edu/d/ahic> for more directions on how to clear your web browser's cache. We apologize for any inconvenience this may cause.

Submitted by Kellie Kaneshiro, Assistant Director for Library Technology, Ruth Lilly Medical Library

SirsiDynix / WorkFlows System Upgrade on Dec. 22nd

Library Technologies will be upgrading the SirsiDynix Symphony ILS from 3.5.2 to 3.6.1 on December 22, 2019 during the regularly scheduled maintenance window. The maintenance window runs midnight to 10:00am, but the upgrade will likely only last for an hour or two.

During the upgrade, the old Symphony Workflows client cannot be used for work. Once the upgrade is complete, the new WorkFlows client can be installed and used. We will work with computer workstation administrators who can help deploy and install the new client.

Additionally, My Account and item requesting in IUCAT will be unavailable during the upgrade. More information about IUCAT during the upgrade will be communicated out to our patrons via a banner message on IUCAT.

Key dates for the upgrade are:

- December 21 - Plan to have any needed work and materials processing (particularly circulation) in the old SD Workflows client finished by 6:00pm.
- December 22 - During the production upgrade window (which lasts until 10:00am), the Workflows client cannot be used. Any essential circulation activities that occur at this time must be kept manually for later input. Also, My Account and requesting services in IUCAT will be unavailable.

Thank you for your support during this process.

Staff News

John Durbin Transferred to IUPUI

John Durbin has resigned his position as Senior Serials Cataloger in Library Technical Services to take a position at IUPUI. His last day was Sunday, December 15. We wish him all the best in his new adventure.

Submitted by Sally Nicholson, HR Coordinator, Libraries Human Resources

Sally Nicholson (LHR) Resigns

It is with mixed emotions that I announce Sally has accepted a position with the HR department in the Office of the Vice President for Diversity, Equity, and Multicultural Affairs. While this is an exciting opportunity for Sally, we hate to see her go. She has contributed much to the Libraries in the last four and half years. Her outstanding work managing the Libraries In-house Institute and transitioning the Libraries to the new PeopleSoft application system are of special note. Sally's last day with the Libraries is January 10.

Submitted by Jennifer Chaffin, Director, Libraries Human Resources

Jay Sissom Accepts Position with UITs

Jay Sissom has resigned his position as Library DevOps Engineer in Library Technologies. He will be working on the Enterprise Decision Support Services team as the Principal Software Engineer. His last day with the Libraries will be December 31. We wish him all the best in his new endeavors.
