## STAFF NEWS

### ***\*Libraries Personnel Directory update, IUB***

The Libraries Personnel Directory has moved to <http://www.libraries.iub.edu/index.php?pageId=13>.

The old directory will not be maintained so please update all links and your bookmarks. Note that some libraries are not listed as departments in the new directory. These include Law, Archives of Traditional Music, Kinsey, the IUPUI campuses and the campuses at Kokomo, Richmond, Gary, New Albany, South Bend, and Fort Wayne. Individual staff from these libraries and campuses can be found in the alphabetical listing for staff.

If you have additions and corrections to the data listed, please forward this information to [libpers@indiana.edu](mailto:libpers@indiana.edu).

## JOB POSTINGS

### ***\*Indiana University Libraries Electronic Resources Manager Position, IUB***

The Indiana University Libraries are seeking a dynamic and enthusiastic librarian for the position of IU Libraries Electronic Resources Manager for the Digital Library of Indiana University. This position will report to the Associate Vice President for Digital Library Development who is also the Ruth Lilly University Dean of University Libraries at Indiana University Bloomington. The incumbent will also work in consultation with the Council of Head Librarians, which includes the directors of libraries on the eight IU campuses. The IU Libraries Electronic Resources Manager is responsible for coordinating efforts among the IU campuses (with the exception of medical library resources) to build a substantial body of shared electronic resources accessible system-wide in support of the University's teaching and research mission and to broaden opportunities for distance and distributed education. For further information and/or a full description of this position, go to the Indiana University Libraries Human Resources page at <http://www.indiana.edu/~libpers/libjobs.html> or contact Betty Davis in Libraries Human Resources at 855-8196 or e-mail her at [betdavis@indiana.edu](mailto:betdavis@indiana.edu). For more information about Indiana University Libraries see: <http://www.libraries.iub.edu/>, or for information about Indiana University see: <http://www.indiana.edu>. Review of applications will begin on September 15, 2003. The position will remain open until filled.

### ***\*American Library Association Offers Grant for Technology Project***

Deadline: December 1, 2003

The American Library Association <http://www.ala.org/> invites applications for the SIRSI Award, an annual award of \$10,000 designed to encourage and enable continued advancements in quality library services for a project that makes creative or groundbreaking use of technology to deliver exceptional services to its community. The award is funded by the SIRSI Corporation.

The criteria for selection include the potential for impact for the community served by the project; evidence that the project will serve as a model, with potential to be adopted by other libraries; the potential of the project to effect changes lasting beyond the immediate life of the grant; technical soundness; and an appropriate and

efficient use of funds to accomplish project goals and objectives.

Complete program guidelines and application forms are available at the ALA Web site. RFP Link:
