

MAKE YOUR OWN SCARECROW

Making a scarecrow can be a wonderful family activity --even if you don't have crows-- scarecrows have become part of American folklore. For a FUN fall activity that the whole family can participate in, why not **make a scarecrow**? Scarecrows are fun to make and provide for a **festive fall decoration** for your yard or front porch. Your scarecrow can be made to look formal, glamorous or as monsters too!

Show off your craft skills while supporting the IU Kokomo Staff Council. For \$10, you can get a variety of colorful material and accessories, the assistance of volunteers, and the satisfaction of seeing your final product. All proceeds benefit the IU Kokomo Staff council, which raise money for student scholarships and activities.
