## General Information

**ENROLLMENT AND FEES.** The regular enrollment period begins June 10 and continues through June 12. *Early enrollment is advised since classes will be limited in size.* Fees must be paid in full at the time of enrollment, at the rate of \$12 per semester hour. In laboratory courses, an additional fee is charged.

During the enrollment period, June 10 through June 12, enrollment hours will be 12 noon to 4 p.m. and 6 to 8 p.m.

**ADMISSION.** Admission requirements of the University Center should be checked by the students with the Academic Counselor. Briefly these are: Students with no previous college work must file application for admission to Indiana University. Students transferring to the University Center from either the Bloomington campus or another university are asked to file, at the time of their enrollment, a statement indicating good standing with their school. Enrollments will be contingent upon clearance of admission credentials before the end of the fifth week of classes. Adults wanting to take work on non-degree programs will enroll as special students in which instance formal admission is not required.

**ACADEMIC COUNSELING.** An academic counselor will be available both during the enrollment period and during the summer session to assist students in planning their programs. Seven to eight hours constitute a regular full-time summer program; those employed full time should not take more than a two- or three-hour course. Students should make certain that appropriate prerequisites have been met for the courses in which they wish to enroll. Orientation tests will be offered June 12, 7:00 to 9:00 p.m.

**WITHDRAWALS.** All students withdrawing from any class should make application in the University Center Office for an official withdrawal. Unless this is done the student will automatically receive a grade of WF. LIMITED refunds are available upon approved withdrawals until July 3.

**VETERANS.** Veterans enrolled at the University Center or on the Bloomington campus during the academic year 1956-57 are required to recertify in order to enroll for the summer session. Veterans having special questions should confer with the local Veterans Administration Office on the sixth floor of the Whitcomb and Keller Building. All veterans enrolled under P.L. 16 must check with that office before enrolling. Korean veterans not previously enrolled in university work may obtain Application for Program of Education (Form 7-1990) at the University Center Office.

**SMOKING.** Both state law and high school policy forbid smoking in and around public school buildings during the day. After 5 p.m. smoking is permitted outside the building only. The registration of any student who refuses to observe such regulations may be canceled with full forfeiture of credit and without financial consideration.
