- I. Discuss findings from “Student Success Indicator Analysis.”**
 - a. Study from Institutional Effectiveness on nearly 6000 students who persisted to 90 credit hours and those who graduated.
 - i. 54% of graduating students did not have SAT/ACT - so it appears that we may already be “testing optional” informally.
 - ii. 93 % of graduates have a HS GPA of 2.5 or better
- II. Create changes to testing optional and other requirements to admissions policy.**
 - a. The committee discussed revisions to the current policy to conform to testing-optional.
- III. Create plan to bring data and policy suggestion to school meetings.**
 - a. The committee discussed how the policy would be taken before faculty, at either the faculty senate or through school meetings.
