Visiting Research Associate
Urban Universities Portfolio Project
Indiana University Purdue University Indianapolis (IUPUI)

IUPUI seeks a Visiting Research Associate to serve as a staff member for a major national project: "The Urban Universities Portfolio Project: Assuring Quality for Multiple Publics" (UUPP). The project brings together a national association and six universities around the country to develop a new medium, the electronic institutional portfolio, for documenting educational effectiveness at urban public universities. Now beginning its second year, the three-year project is headquartered at IUPUI and housed in the Office for Professional Development.

The Visiting Research Associate will have significant project and budget management responsibilities for the UUPP, working with the project director to ensure that the project's many lines of work move forward as scheduled and within budget. In collaboration with the director and project support staff, the Associate will coordinate project meetings and other activities, develop reports and other written materials, communicate with project participants nation-wide, and conduct research to identify relevant materials, models and other resources. The Associate will also carry out occasional projects for the Office for Professional Development.

The position requires the ability to write, communicate and analyze effectively, excellent organizational and budget skills, computer and research skills, and some familiarity with and interest in current issues facing public higher education. An advanced degree and some administrative experience are strongly preferred. Salary will be commensurate with qualifications.

Applications should include a cover letter explaining interest in and qualifications for the position, a resume or c.v., and two writing samples. Applications received by October 4, 1999 will receive first consideration. Please send applications to Susan Kahn at the Urban Universities Portfolio Project, IUPUI, 355 N. Lansing St., Suite 139, Indianapolis, IN 46202.

For additional information, please consult the UUPP web site at <http://www.imir.iupui.edu/portfolio/>, or contact Dr. Susan Kahn at (317) 278-3600 or skahn@iupui.edu

IUPUI is an Affirmative Action, Equal Opportunity employer.

***IUPUI University Library Electronic Journals Access**

Wiley InterScience electronic journals are now accessible from any campus workstation or IUPUI network dial-up connection. This change means you can now bookmark the individual journal homepages. Wiley discontinued use of their 3-tiered authentication system in response to customer feedback. Journal coverage varies by title.

For links to Wiley InterScience journals and many more, please visit the IUPUI University Library Electronic Journals page:

***Web Program and Discussion Session at IUPUI**

"Everything on The Web is Free of Copyright and Other Tall Tales...."

A program and discussion session for anyone using the Web, Oncourse, or other network for teaching courses and reaching students.

Tuesday, September 21, 1999, 1:30-3:00 p.m.
IUPUI University Library Auditorium
Presented by the Copyright Management Center
<http://www.iupui.edu/~copyinfo>

Do you use Oncourse or the Web to enrich your teaching and learning environment? Oncourse and other Web-based enhancements may trigger copyright landmines. Would you like to know how to avoid an explosion before the dust settles?

This program is especially planned for instructors, but all interested persons are invited at no charge.

Contact the Copyright Management Center for reservations or more information: (317) 274-4400 ☎ or E-mail: copyinfo@iupui.edu
