2. Review feedback from Campus Learning Outcomes

3. Revisions to Curriculum Change Form
  - a. Approved changes
4. Course Change: EA BUS-X410
  - a. Approved conditionally---the description and activities are the same as a one-hour course...what is the difference?
  - b. A collaborative, however, could Li provide explanation?
5. Old Business: committee agrees to allow CARMiN forms to have either campus CLO's or program LO's. This is a committee decision and does not require senate approval, should be an information item.
