Renew or Join InULA Today!

InULA (Indiana University Librarians Association) is accepting renewals or new memberships for the 2016-2017 academic year. Join/renew by June 30 to select committee preferences.

InULA helps promote excellence in librarianship and provides research, continuing education, professional collaboration, and service opportunities across the IU Libraries.

InULA sponsors professional development events throughout the year. InULA's Research Incentive Fund encourages and supports research by providing funding for research projects of any size or scope.

Annual dues are only \$10 for librarians and \$3 for professional and support staff. When processing the form please volunteer to chair or serve on a committee. It's a wonderful way to be involved in our organization. Committee information is available on the InULA website http://www.indiana.edu/~inula/wp_2012/history-2/. We are only as successful as the membership makes us!

To join or renew your membership, go to: http://www.indiana.edu/~inula/wp_2012/membership/ and click join/renew.

IU LIBRARIES NEWSLETTERS

Update on Retirement of new.iucat.iu.edu

As part of our project to retire the new.iucat.iu.edu domain initially used to publicize the Blacklight catalog interface during its beta launch, all visitors to new.iucat.iu.edu URLs are being redirected to a static page (effective May 13).

The static page informs them of the impending discontinuation of the new.iucat domain and points them to iucat.iu.edu.

The new.iucat.iu.edu domain will be taken out of service today (Friday May 27). After today links to new.iucat.iu.edu will no longer work. The iucat.iu.edu domain will not be affected by this change.

Please update any links beginning with <http://new.iucat.iu.edu> to point to the iucat.iu.edu domain.

Feel free to contact me via email or telephone (crgreene@indiana.edu, 812-855-4217) with any questions you may have.

Call for Proposals: 5th Annual Indiana University Libraries Information Literacy Colloquium

DATE: Friday, August 5, 2016

PLACE: Indiana University Southeast, New Albany Indiana

THEME: Critical Information Literacy: Empowering Learners for Social Change

Critical pedagogy is an approach to teaching and learning that envisions the educational environment as a site for social change. Practitioners of critical information literacy instruction seek to incorporate an emphasis on social justice into the library setting in a number of ways, including resisting the passive banking method of teaching and learning, disrupting and transforming the power relations between teacher and learner, validating student voice and experiential knowledge, and exposing how oppression and societal inequities shape information production and dissemination.
