## **Staff News**

I am very please to announce the appointment of Dina Kellams as Assistant Librarian beginning May 1st. As some of you know, Dina has been a PA 11 in the University Archives since her initial appointment in 1999. Dina received her bachelor degrees in History and English in 1998 and her MLS in 2001, all at IU. In her relatively short professional career, Dina has already been an active member of several archival organizations. She is currently serving as President of the Society of Indiana Archivists, and as co-chair of the Local Arrangements Committee (for the fall 2005 meeting in Bloomington) of the Midwest Archives Conference. Presently Dina is co-instructor, along with her colleague Kristen Walker, of a regularly offered SLIS course on Encoded Archival Description. In her new role as librarian Dina will assume more records management, outreach and supervisory responsibilities. Dina will also continue creating MARC records and EAD finding aids for archival collections and providing reference service. Please join me in congratulating Dina on her promotion to the Librarian ranks.
