### Library News and Events

#### Change to Bloomington Libraries URLs

IU Communications recently launched a redesign of the IU Bloomington gateway website (<http://www.indiana.edu>). They simultaneously transitioned to using the indiana.edu domain, and are now working to retire the iub.edu domain. As part of this process they have asked that all units using iub.edu URLs transition to indiana.edu URLs as their primary domain. Effective Wednesday August 12, the following sites and applications maintained by the IUB Libraries will transition to new URLs:

- <http://libraries.indiana.edu>
- <http://collections.libraries.indiana.edu>
- <http://blogs.libraries.indiana.edu>

There will be no interruption in service; visitors accessing these sites at their previous addresses ([libraries.iub.edu](http://libraries.iub.edu), [collections.libraries.iub.edu](http://collections.libraries.iub.edu),

Links created in the new Drupal site using relative URLs will not require updates. For more information, consult the DRS tip sheet (<http://go.iu.edu/HUO>) or contact [libweb@indiana.edu](mailto:libweb@indiana.edu). Please note: this change is not applicable to regional campus libraries.

If you have questions or concerns about this transition, please contact Discovery & Research Services ([libweb@indiana.edu](mailto:libweb@indiana.edu)).
