### IUCAT Changes for the Fort Wayne Helmke Library Transition

During the past year, much work has been done in preparation for the realignment of the Indiana University-Purdue University Fort Wayne (IPFW) campus. As previously announced, the campus will be renamed "Purdue University Fort Wayne" (PFW) with Purdue taking over the management of the campus in FY2019.

As a result of this transition, the Fort Wayne Helmke Library went live with their new independent online library catalog on July 1, 2018. IUCAT will provide users a redirect message to PFW's new library catalog. The "Fort Wayne" campus and the "Fort Wayne Helmke Library" will be removed from the IUCAT search dropdown lists.

There are a number of clean-up/maintenance projects which will need to be undertaken in the SirsiDynix Symphony (IUCAT) database.

- **July 2018: Serials Solutions' E-Resources Bibliographic Records Base Reload**  
Serials Solutions' MARC records were updated to remove Fort Wayne campus e-resources links (URLs); records for Fort Wayne-only accessible e-resources were deleted.
- **August 2018: Suppress Public Display of Fort Wayne Helmke Library Titles**  
No firm timeline has been established for the permanent deletion of Fort Wayne titles and holdings from IUCAT. As a first step, item records will be programmatically shadowed in order to suppress the display of Fort Wayne-held titles from public view. Until all items are shadowed, Fort Wayne titles will continue to display in IUCAT.

**Location** Stacks -- HF5382.7 .B64

**Holdings** 2007,2013

**Holdings** Latest edition in CAREER MATERIALS

**IUCAT WorkFlows Users:**

Please note that the above clean-up projects are designed to remove the display of Fort Wayne library titles from the public online catalog.

- **Shared Bib Record Group:** Technical services operations which are part of the shared bibliographic record group will continue to use MARC records even for Fort Wayne-only held titles when placing orders and cataloging new holdings.
- **Online Library:** Any catalogers that utilize a macro to set holdings for the Online Library will need to revise that macro to no longer include the OCLC symbol HV6 (PFW Helmke Library).

**Documentation:**

Please review internal documentation to remove the Fort Wayne Helmke Library from the list of IU libraries. Shared documents, including IU Cataloging Congress policies, will be revised as time permits.

As always, I am happy to answer any questions.
