The use of recording or photographic devices at a concert in any auditorium at IUSB is forbidden. Eating, drinking, or smoking at such events is also prohibited. Attendance by children under the age of responsible behavior is discouraged.

ARTISTS TONIGHT

Born in South Bend, and a student of Indiana University of Sidney Foster, among others, **Robert Hamilton** was pianist in residence at IUSB from 1967 until 1975, when he moved to Wichita State and, subsequently, to Arizona State University. Prior to that time he had concertized and studied in the New York area. In recent years he has performed all over the world, including England, France, Germany, the Netherlands, Belgium, Italy, Austria, Denmark, Argentina, Brazil, Switzerland, an elaborate tour of Poland in 1987, and – just this season – concerts in both Japan and Korea.

Professor Hamilton has recorded for Philips in Orion, and has been heard over National Public Radio, ABC, the BBC, Radio Warsaw, Radio Zurich, and many local television and radio stations. He has accepted frequent invitations to present master classes and to adjudicate piano competitions.

Michiana audiences will remember with pleasure his appearances with the South Bend and Elkhart Symphony Orchestras and the IUSB Philharmonic, as well as his many recitals on IUSB stages.

Artist in residence at IUSB since 1976 and Professor of Music, **John Owings** has won enthusiastic praise from audience and critics for his blend of exciting pianism and elegant musical taste. He has performed with major American orchestras, including Cleveland, the Chicago, National, Dallas, Denver, Houston, and San Antonio Symphonies, and the Boston Pops. New York, London, Paris, Brussels, Chicago, Washington, Taipei, and other audiences have applauded his recitals, and his performances have been broadcast by the American NPR and APR, the Canadian CBC, the BBC, Irish Radio, Radio France, and the Dutch Radio Veronica.

Winner of the 1975 Robert Casadesus International Piano Competition and many other prestigious awards and prizes, including first place in both the 1968 London Liszt Society Competition and the 1980 Chicago Musical Arts Competition, Owings is much sought after as an adjudicator and teacher.

He thrilled Michiana patrons and others with his complete Beethoven Cycle (eight concerts in four weeks) and Bach Well-Tempered Klavier performances, and is well respected for his interpretations of Debussy, Chopin, Brahms, and other masters.
