Recommendation of Charges for 2019 – 2020 academic year: Conduct a ballot election for the Faculty Board of Review that allows for an easy selection of alternates. Modify the ballots to have a number column to allow for easier removal of individuals who wish to be removed from ballots. It will also allow for easier counting of ballots. Consider using a different clicker system beyond Arsnova. Consult with individuals who may know of better software.

Respectfully submitted by: Eevett Loshek Chair
