

Minutes of Emergency Meeting of Budgetary Affairs

8/27/2008

Attendees: Keith Morran, Linda Houser, Pat Rogan, Mary Fisher. Pat Stites

Approval for Hiring a Coach for Secondary Field Experience

The committee met to discuss the need to hire a coach to monitor the field experience for secondary students. It was pointed out that secondary field experience placements were wide spread and the secondary program does not have many clinical faculty to assist with this task. The committee recommended hiring a coach for this academic year and to revisit the impact of the coach on the budget and effect on the program in May, 2009.
