Healthy Heart Open House

Please stop over to the HPER Library on Monday, February 14th for the Healthy Heart Open House from 8:30-11:00am. We will be serving red, heart-shaped bagels and spreads, fresh fruit, juices, bottled water and hot drinks, and other goodies until supplies run out. (Last year, they ran out quickly!) We will also display some of the many books that we have on healthy diets, nutrition, and exercise, and will feature heart-healthy recipes from the Joan Drake Cookbook Collection. Jog on over to Room 029 in the HPER Building and join us!

This is a way we can make time to meet and greet one another, to re-connect, in a casual setting. We look forward to seeing you there. Please call the SLIS toll-free number or e-mail Sarah Burton to let us know which reception you plan to attend. The toll-free number is 888-335-7547; e-mail address is: burtonsp@indiana.edu. We look forward to hearing from you and visiting with you at the reception.
