Library News and Events

Archives Open House

The Office of University Archives and Records Management has relocated to the Herman B Wells Library. The new space, located on the fourth floor of the East Tower, offers more than three times the space for researchers than the

previous Bryan Hall location. In addition to a well-lit reading room with large tables, researchers can also use a small conference room and enjoy easy access to other collections, technology, and expertise within the Wells Library.

You're invited to the Open House:

Date: Monday, February 4

Time: 3:00 to 6:00 p.m.

Place: Wells Library, 4th Floor East Tower (take a left from the elevator)

Please plan to join us in celebrating our move to the library! For the first time in years, we will be able to exhibit original materials from our collection and we have prepared exhibits featuring Seminary Square (where it all began), the IU and Bloomington Literary Societies (not book clubs!), and intriguing artifacts from our collection such as Butternut Badges and Senior Cords!

DeLoice Holliday Appointed to Campus Diversity Committee

Karen Hanson, Provost and Executive Vice President, recently asked DeLoice Holliday to serve as a member of the Campus Diversity Committee. DeLoice is the IUB Multicultural Outreach Librarian and the Head of the Neal-Marshall Black Culture Center Library.

More information on the Campus Diversity Committee

Effective July 1, 2007, the Indiana Legislature requires through House Enrolled Act No. 1256 that, "the board of trustees shall create a diversity committee at the home campus and at each regional campus to do the following:

Review and recommend faculty employment policies concerning diversity issues.

Review faculty and administration personnel complaints concerning diversity issues.

Make recommendations to promote and maintain cultural diversity among faculty members.

Make recommendations to promote recruitment and retention of minority students."

The legislation also requires that "the diversity committee shall issue an annual report stating the findings, conclusions, and recommendations of the committee to the board of trustees." In addition to the statutorily defined duties, the Campus Diversity Committees could serve as the primary oversight committees for implementation of the Campus Diversity Plans.
