Upcoming Application Deadline for the InULA Grants Fund

Need monetary support for research or research-related activities? The InULA Grants Fund is intended to encourage and support research by providing funding for projects of any size or scope. Grant applications are now being accepted through January 15, 2019. Guidelines and application information can be found at: http://www.indiana.edu/~inula/wp_2012/inula-research-incentive-fund-guidelines/. You must be a current member of InULA to be eligible. The InULA Grants and Scholarship Committee will review grant applications using a rubric. In the case of equally meritorious proposals, those of non-tenured librarians may be given priority because it is often difficult for beginning researchers to obtain research grants. Recommendations will then be made to the InULA Executive Board for approval and funding. Notice of awards is provided to applicants as soon as possible. Can't get an application in by January 15? The next fund deadline is April 15, 2019.

Please contact the committee chair for more information or with questions.
