Activities so far

1. AdRx Campaigns launched Feb 9, 2024: 20 campaigns for 1895 students.
2. Group advising & email follow-up for CHS Programs
3. Tabling across campus to sign up for advising
4. Calling campaign by advising peer mentors (ongoing)
5. Delayed NSO messaging for returning and intercampus transfers
6. Streamlining support with sbadvise@iusb.edu

Advising Load and Timeline

- Advising started Feb 12: 12 weeks before end of term
- Average advisor caseload: 220
- Appointment hours per week: 20 (does not include email advising, NSO advising)
- Number of weeks to advise all students: 10-11 (depending on retention)

Additional Factors

1. Advisors learning new programs, requirements, policies, etc.
2. Start-Up: creating/streamlining student advising records
3. New Student Orientation prep (April has largest NSOs)
4. Culture change for students: not used to seeking advising early or lead time for availability

Future Strategies

1. Group advising for some majors, student class levels
2. Improve alignment between appointment slots and student schedules
3. *Potential* of Stellic
 - Degree audits and advising plans for all programs
 - Ease of use for students
