LIBRARY NEWS

**Walden University Library News, IUB*

Walden University's Summer Session 2003 has ended, and our students and faculty have scattered throughout the States and around the world - with high praise for the IU Libraries and the folks who work here.

We were a bit apprehensive this year because of the decision not to have our Walden summer library in Willkie. Being able to use E-172 as our Walden Library Concierge greatly relieved the apprehension, as it gave us a highly visible and easily accessible location in which to work with our students.

Many thanks for your excellent support, especially in light of the extra effort you put forth for Freshmen Orientation during the same time period.

From the Walden University Library staff.
