Article V SECTION 5.5: MEMBERS Part C. Non-Tenure-Track Campus Representation

Replace

Non-tenure-track faculty shall constitute an election unit entitled to three representatives. One Council representative must hold a Research Appointment and qualify under section 1.3 of this Constitution. One Council representative must hold a Clinical Appointment and qualify under section 1.3 of this Constitution. One Council representative must hold a Lecturer Appointment and qualify under section 1.3 of this Constitution.

With

The Council's Bylaws will specify the number of representatives for the non-tenure-track ranks on the Council, and the Nomination Committee will specify election units for the non-tenure-track ranks.

Rationale: Tenure-track faculty and librarian ranks are relatively stable. Non-tenure-track ranks are subject to more changes. The new language will allow the Bloomington Faculty Council to act nimbly in response to those changes to allow for appropriate changes in NTT representation on the Council. However, it is important to retain this part; otherwise many documents that refer to this part and the parts that come afterwards would need to be revised.

Proposed by: The Executive Committee.
