

Proposal 12

Article V SECTION 5.5: MEMBERS Part B. At-Large Campus Representatives

Replace

There shall be ten Council representatives elected from the Bloomington campus at large of whom at least two must be untenured. Such representatives must be persons qualifying under section 1.1 and 1.2 of this constitution.

With

There shall be five Council representatives elected from the Bloomington campus at large. Such representatives must be persons qualifying under section 1.1, 1.2, or 1.3 of this constitution.

Rationale: In conjunction with increasing the non-tenure-track representation, the elimination of five at-large helps retain a manageable Council size.

Proposed by: The Non-Tenure-Track Task Force.
