Prospective regular students must apply for admission to Indiana University and be admitted before registration. The closing date for applications for the second semester is January 1, 1971.

They must also provide evidence of at least a C average (2.0 on a 4.0 scale) in all their college work before permission to register can be granted.

Students transferring to South Bend from another campus of Indiana University must present evidence of good standing. The student should request that his academic records be sent to South Bend by the school in which he last enrolled. University Division students should have their records sent to the Office of the Director of the University Division. Upper division students should have their records sent to the chairman of the division or school in which they are enrolled, Indiana University at South Bend. Transfer students from other than Indiana University campuses must submit applications for admission as regular students. The application should be filed by January 1, 1971.

## LATE REGISTRATION PROCEDURE

Any student who wishes to register after Friday, February 5, 1971 is assessed a late registration fee of \$5 per course with a \$10 maximum.

Late registration will take place on the second floor of Northside Hall from February 8 through February 11, 1971 at 9:00 a.m. to 11:30 a.m. and 1:30 p.m. to 4:00 p.m., and at Class Change Day, February 12, 1971.

## PASS/FAIL OPTION

The option which permits students to designate courses to be taken for either a Pass (P) or a Fail (F) grade is available to all students and is limited as follows:

1. Undergraduate students may elect the option for a maximum of two elective courses per calendar year, September 1 to September 1, with a maximum of eight courses to be applied toward graduation.
2. A student may not elect the option for courses in his major or concentration group.
3. Graduate students should consult the chairman of their division for information concerning the Pass/Fail Option.
4. Exercise and approval of the option must be completed by February 26, 1971.

A student who wishes to utilize the option must obtain a Pass/Fail form from his divisional office and secure the signature of the chairman or acting representative of his school or division.

THE COMPLETED FORM MUST BE RETURNED TO THE REGISTRAR'S OFFICE BY 5 P.M., FRIDAY, FEBRUARY 26, 1971.

The grades of A, B, C, and D shall be considered as Pass (P) under this option. In no case will these grades be substituted at a later time in place of a P.

The grade of P is not counted in computing grade-point averages; the grade of F is included.

## PROGRAM CHANGES

Any student who alters his original class schedule, whether by personal incentive or by departmental directive, must do so officially by the procedure outlined below. A student who does not assume this responsibility is jeopardizing his record by the possibility of incurring an F in a course not properly dropped and/or not receiving credit in a course improperly added.

1. Class Change Day will be held on Friday, February 12, from 9-11:30 a.m., 1:30-4:30 p.m., and 6-7:30 p.m. NO PROGRAM CHANGES WILL BE PERMITTED UNTIL CLASS CHANGE DAY.
2. Students must complete their original registration, including payment of fees, prior to dropping and/or adding courses. No penalty fee will be assessed for any schedule changes made by officially registered students on Class Change Day.
3. Students may add (register for) open courses, change from one section to another open section of a course, or drop a course by completing the necessary forms on Class Change Day. All fees for added courses are payable on Class Change Day. No course may be added after the first two weeks of the regular semester or one week in a summer session unless the instructor of the course petitions that an exception be made and the request is approved by the chairman of the division in which the course is offered and the chairman of the division in which the student is registered.
4. Late Drop and Add (after February 12, 1971)
  - a. NOTE: Students who want to effect a change after February 12, 1971, will be charged a five dollar (\$5) late fee for an addition of a course.
  - b. Waiver of the late fee is granted only when it can be demonstrably shown that the University, through one of its offices or officials, is responsible for the late transaction.
5. Students may withdraw through Friday, February 26, 1971, by completing the proper forms at the Registrar's Office. All withdrawals through February 26, 1971 will receive a grade of W.
6. After February 26, 1971, students will complete withdrawal forms at the divisional offices; the forms will require the signature of the chairman or his acting representative.
7. All Change of Course forms submitted to the Registrar's Office after February 26, 1971 must also show the instructor's signature and a grade of W or WF. The grade of WF is computed in the student's semester and cumulative grade-point averages as an F.
8. The official withdrawal is not complete until the student has submitted the completed Change of Course form to the Registrar's Office.

**TERMINATION OF CLASS ATTENDANCE DOES NOT  
CONSTITUTE OFFICIAL WITHDRAWAL AND  
WILL RESULT IN A GRADE OF F.**

## FEES AND REFUNDS

All fees are payable at the time of registration. Fees for residents of Indiana are \$20 a semester hour for undergraduate courses and \$25 a semester hour for graduate courses; for nonresidents, \$40 a semester hour for undergraduate courses and \$50 a semester hour for graduate courses. In some courses an additional fee, such as a science laboratory fee or a student teaching fee, may be charged. All fees are subject to change without notice.

A Student Activity Fee will be assessed all undergraduate students based on the number of credit hours for which the student is enrolled:

1 to 8 hours incl. \$3  
9 or more hours \$6

Limited refunds may be approved based on the date of the written applications for withdrawal. The refund schedule for credit courses is as follows:

|                  |      |                   |
|------------------|------|-------------------|
| Class Change Day | 100% | February 12, 1971 |
| Second week      | 60%  | ending Feb. 19    |
| Third week       | 40%  | ending Feb. 26    |
| Fourth week      | 20%  | ending March 5    |

No refund will be issued if application for withdrawal is made after the end of the fourth week of classes.

See section covering Class Change Day for information concerning fees for changing courses after February 12, 1971.

Whenever registration for a course is considered insufficient, the University reserves the right to withdraw the course.
