

COVID Withdraw Policy 2022

Due to the multiple complications, both medical and non-medical, of the ongoing COVID-19 pandemic, beginning with the Spring 2022 semester, IU South Bend students may withdraw with an automatic grade of W through the last day of classes for each term for the duration of the COVID-19 pandemic. The Academic Affairs Committee recommends that this policy remains in place until such a time that the EVCAA formally acknowledges the end of the effect of the pandemic on the IU South Bend camp.
