Hi Gregory,

Will you please forward this message on to the Faculty? This month we have to consider six new course requests, three course change requests, one proposal for a new track in the Bachelor of Science Degree, one proposal for a new minor, and one proposal for an existing degree to allow for a multi-campus fully online offering.

**New Course Requests:**

SSCI-S 430 Professional Practice for General Studies  
AHLT-R 414 Sectional Imaging Pathology  
AHSC-H 340 Research in the Health Sciences  
AHLT-B 320 Global Systems of Health Care Delivery  
AHSC-C 425 Program Assessment, Planning, and Evaluation I  
MUS-S 315 Violin

**Course Change Requests:**

NMAT-D 277 Design Center: Intro. To Graphic Design & Practice

NMAT-D 377 Design Center: Graphic Design Production & Practice

**New Track in Pre-existing Bachelor of Applied Science degree:**

Sustainability Studies

**New Interdisciplinary Minor:**

Personal and Professional Development

**New Multi-Campus Fully Online Offering of a Degree That is Already Approved on Our Campus**

Masters of Liberal Studies

The supporting files can be found in the Faculty Senate Canvas site (in the Files section). Please contact your EPC representative by May 25th if you have any concerns. If you have questions about the courses, please contact the originating area.

Thanks!

Steve
