****Green Boxes, IUB***

GREEN BOX GIVE-AWAY!!!!

As you know for many years (and we still do) Gov't Publications used green gaylord boxes to house unbound publications. Since many many of these are going to ALF, our need for green boxes has been decreased if not almost eliminated. We have several hundred of these in various sizes that we need to discard. Before doing so I wanted to offer them to you.

There are basically four kinds:

- small slant cut (902s) (7.5 x 10.5)
- large slant cut (9 x 12.25)
- large straight cut (9.25 x 12.25)
- oversize with flip lid (12 x 15 x 3)

I have placed a sample of each on a desk by the GIMSS reference desk with a sheet asking you to give me your name and how many you want of each kind. We will then ship them to you in campus mail or have the GMSA crew deliver them. If you want you can send email but make sure and state what kind and how many you want.

DEADLINE: June 15th, 2003..... After that the majority will be discarded.
