## 1. FACULTY/STAFF NEWS

On October 16, 1996, May Jafari, University Libraries, presented a paper entitled: "Utilizing Technology for Information Retrieval: How the Web Can Enhance Library Services" at the 8th Annual Hypermedia 96 Conference held at IUPUI University Place Conference Center.

Effective October 21, Katherine Frisch accepted the Searching/Gifts Coordinator position in MPS. Before coming to Bloomington, Katherine was a paraprofessional copy cataloger at Northwestern University Library.

## 2. GRANTS WRITING

Charles Hixson began a half time grants writing assignment in the Libraries Development Office. Charles will help write and coordinate a variety of grants including the Ameritech/Library of Congress Digital Library initiative.

Charles is located in E 164 in the Main Library. He can be reached on Wednesdays from 1:30-3:30 pm or by appointment at 5-7747 for anyone interested in grants information.

### 3. SUMMARY OF GRANT OPPORTUNITIES

Materials/Equipment Acquisition (computers, books, tapes, etc.) Any US research or educational institution(above high school level) is eligible.

DEADLINE: November 1

This program goals are: research and understanding of Japan in the US through donation of books and other materials related to Japan, and funding for resource acquisition; to promote national and regional resource sharing and library cooperation. Categories in this program include two categories for materials in English and two for materials in Japanese.

CONTACT: Michael Paschal, Research Associate at: (212) 489-0299 or by FAX: (212) 489-0409.

Japan Foundation 152 W. 57th St., 39th Floor, New York, NY 10019
