Prospective regular students must apply for admission to Indiana University and be admitted before registration. The closing date for applications for the second semester is January 5, 1970.

Transient students (students from another college who are planning to register to earn credits for transfer to that college) need not apply for regular admission. Such students must file a letter of their intent and desire to be a transient student with the Office of Admissions, Indiana University at South Bend. They must also provide evidence of at least a C average (2.0 on a 4.0 scale) in all their college work before permission to register can be granted.

Students transferring to South Bend from another campus of Indiana University must present evidence of good standing. The student should request that his academic records be sent to South Bend by the school in which he last enrolled. Junior Division students should have their records sent to the Office of the Assistant to the Dean of the Junior Division. Upper Division students should have their records sent to the chairman of the division or school in which they are enrolled, Indiana University at South Bend. Transfer students from other than Indiana University campuses must submit applications for admission as regular students. The application should be filed by January 5, 1970.

All fees are payable at the time of registration. Fees for residents of Indiana are \$20 a semester hour for undergraduate courses and \$25 a semester hour for graduate courses; for nonresidents, \$40 a semester hour for undergraduate courses and \$50 a semester hour for graduate courses. In some courses an additional fee, such as a science laboratory fee or a student teaching fee, may be charged. All fees are subject to change without notice.

Fourth week	20%

No refund will be issued if application for withdrawal is made after the end of the fourth week of classes.

Whenever registration for a course is considered insufficient, the University reserves the right to withdraw the course.

REGISTRATION PROCEDURES

IMPORTANT: SOCIAL SECURITY NUMBERS

Every student must have an accurate Social Security number before entering the registration line. This number must be entered on the enrollment card and the permit to register. Your Social Security number, unlike your name, is unique; it controls the accuracy of your records. Report any inaccuracy in your Social Security number to the Registrar's Office.

To be admitted to registration you must have a PERMIT TO REGISTER and ENROLLMENT CARD.

1. Students who are currently attending Indiana University at South Bend, and all new students who were admitted prior to December 12, 1969, will receive their PERMITS and ENROLLMENT CARDS by mail.
2. Students who have attended any campus of Indiana University since September 1, 1965, but did not attend Indiana University at South Bend the first semester 1969-70 will obtain their PERMITS and ENROLLMENT CARDS simply by giving Name and Social Security number to the attendant in N102 prior to registration, or in N118 during registration. Junior Division students please see Junior Division, Northside 110.
3. Transient and special students and students admitted after December 12, 1969, will be mailed PERMITS and ENROLLMENT CARDS by the Office of Admissions.
4. Graduate students who have not been admitted and are attending Indiana University at South Bend for the first time must show proof of having obtained a baccalaureate degree to the attendant in N102 prior to registration, or in N118 during registration. Students who wish to enter the Graduate School of Business must have prior admission.
5. Students who last attended any campus of Indiana University prior to September 1, 1965 will be issued a PERMIT TO REGISTER by showing their enrollment card to the attendant in N102 prior to registration, or in N118 during registration. ENROLLMENT CARDS will be obtained from the Division in which the student intends to enroll.

Arts and Sciences	Greenlawn G118

LATE REGISTRATION PROCEDURE

Late registration will be permitted from Monday, February 2 through Friday, February 6, 1970, between the hours of 9 to 11:30 a.m., 1 to 4 p.m.

Late registrations are subject to a special fee of \$5 per course with a \$10 maximum.

PASS - FAIL OPTION

The option which permits students to designate courses to be taken for either a Pass (P) or a Fail (F) grade is available to all students and is limited as follows:

1. Undergraduate students may elect the option for a maximum of two elective courses per calendar year, September 1 to September 1, with a maximum of eight courses to be applied toward graduation.
2. A student may not elect the option for courses in his major or concentration group.
3. Graduate students should consult the Chairman of their Division for information concerning the Pass-Fail option.
4. Exercise and approval of the option must be completed by Friday, February 20, 1970.

A student who wishes to utilize the option must obtain a Pass-Fail form from his Divisional Office and secure the signature of the chairman or acting representative of his school or division.

THE COMPLETED FORM MUST BE RETURNED TO THE REGISTRAR'S OFFICE BY 5 P.M., FRIDAY, FEBRUARY 20, 1970.

The grades of A, B, C, and D shall be considered as Pass (P) under this option. In no case will these grades be substituted at a later time in place of a P.

The grade of P is not counted in computing grade-point averages; the grade of F is included.

PROGRAM CHANGES

Any student who alters his original class schedule, whether by personal incentive or by departmental directive, must do so officially by the procedure outlined below. A student who does not assume this responsibility is jeopardizing his record by the possibility of incurring an F in a course not properly dropped and/or not receiving credit in a course improperly added.

1. Class Change Day will be held on Friday, February 6, from 9 a.m. to 12 noon; 1:30 - 4:30 p.m., and 6 - 7:30 p.m. NO PROGRAM CHANGES WILL BE PERMITTED UNTIL CLASS CHANGE DAY.
2. Students must complete their original registration, including payment of fees, prior to dropping and/or adding courses. No penalty fee will be assessed for any schedule changes made by officially registered students on Class Change Day.
3. Students may add (register for) open courses, change from one section to another open section of a course, or drop a course by completing the necessary forms on Class Change Day. All fees for added courses are payable on Class Change Day. Students may not add courses or change sections after the first scheduled class meeting of the second week of classes.
4. Students may withdraw through Friday, February 20, by completing the proper forms at the Registrar's Office. All withdrawals through February 20 will receive a grade of W.
5. After February 20, students will complete withdrawal forms at the Divisional Offices; the forms will require the signature of the chairman or his acting representative.
6. All Change of Course forms submitted to the Registrar's Office after February 20, must also show the instructor's signature and a grade of W or WF. The grade of WF is computed in the student's semester and cumulative grade-point averages as an F.
7. The official withdrawal is not complete until the student has submitted the completed Change of Course form to the Registrar's Office.

TERMINATION OF CLASS ATTENDANCE DOES NOT
CONSTITUTE OFFICIAL WITHDRAWAL AND
WILL RESULT IN A GRADE OF F.
